### Redistribution

Your energy generation method is improved by being missed by shots:

- **Siphoner** - once per cover pool you may generate energy when you call [MISSED](#) as if you had been hit.
- **Channeller** - you gain an additional energy if you call [MISSED](#) while chanting. You may only gain one additional energy per chant in this way.
- **Generator** - you may call [MISSED](#) once for free while recouping regardless of being in cover.
- **Accumulator** - when you run out of energy you have a pool of 3 [MISSED](#) per encounter regardless of being in cover.
- **Detonator** - calling [MISSED](#) subtracts 5s off of your current cooldown.
- **Assimilator** - you may [ASSIMILATE](#) cover you have not used yet (i.e. haven't called MISSED at) to produce 2 Energy but use up the pool of [MISSED](#).

### Redirection [2]

- You may call [PING](#) against a call an **ally** makes against you.
- You must make that call immediately as a [YOU](#) call against another target.

### Between Blinks [3]

- Call [VA-WORP](#).
- You may relocate but must reappear in 10s.
- You are aware of what happens while you are vanished.

## Rank 4

### Beam Me Up

- Once per encounter, if you are out of sight of all enemies you may call **VA-WORP** and exit the encounter.
- You may then choose to exit the Mission or return after the Encounter has finished.

### Now You See Me [2]

- If you are broken out of **VA-WORP** involuntarily, you may call **YOU: DRAIN** in response.

### Now You Don't [2]

- When you incapacitate a target you may call **VA-WORP** to vanish as if you had spent Energy on **Space Within Space** immediately.
- 

## Rank 5

### Lay of the Land

- You always gain an additional call of **MISSED** in your pool from being in cover.
- This stacks with other increases to the MISSED pool.

### Quantum Teleportation [3]

- Call **PING** to a **YOU** call.
- Immediately make that **YOU** call against someone else.
- You must make the call, you cannot absorb it.

### Distributed Path [5]

- Suffer a Severe Injury.
- For the rest of the encounter, you may call **YOU: GAIN VA-WORP 10s** once every 15s.
