

Player Characters

A list of all characters in the *Planetfall* system, giving information on stats, backplot and interesting plot hooks picked up over the course of their adventuring career.

[Register for an account](#) and once registered, you can log in and create a character page here. To create a new character page, simply enter their name below and click create. A new page will be created on the wiki with a template character sheet for you to fill in. Don't use punctuation!

Create a new Character Page

To create a new character page, simply enter their name below and click create. A new page will be created on the wiki with a template character sheet for you to fill in. The page name will include underscores, but write the name here as you want the name itself to look (i.e. use spaces between words), and avoid punctuation!

Character Name * Create
