

III Branches

Initial Brief

Paper (real paper) notices begin to appear in prominent locations throughout the Fleet, garnering interest and concern from those reading. These notices do not appear on Muse IX. "At the kind request of the Elegy members working in the Keter System, capable and willing hands are sought to deal with a delicate matter of pruning. Volunteers should attend the shuttle bay of their ship at 1100 on Sixday. Successful volunteers will be compensated for their time at the discretion of the Spectre Vyix 9a. Time-wasters will be noted."
