

The Hunt For Crease S Bulk

Initial Brief

A message has been posted on a wide range of semi-official message boards (both physical and digital) relating to Craruan mechs, Scourges, hunting, and adventuring, as well as conspiracy sites, ghost- and folklore story zines and newspapers, etc, as well as discussed in the usual pubs and bars throughout the system. It reads as follows:

Crease's Bulk is REAL! You all thought it was just a folk tale, but it is real and it is out there! Riches beyond your wildest dreams, a chance to hunt a creature only seen every 100 years, a chance to get in - or back in - with the CDF, to collect the bounty on a notorious Scourge, you name it, this hunt has it.

Want to know more? Come to the Rocket Punch Tavern in North Ridge, Crarua! – For whatever reason, you've decided to follow up on this mysterious message, and you arrive at the Rocket Punch Tavern.
