

Dr Deepest Fathom

Player: James

Pronouns: he/him

Note: XP is up-to-date but other areas are pending debrief updates from the missions of 25/02/23 (played) and 18/03/23 (not played but other PC action has consequences affecting this character)

Background / Bio

Dr Deepest Fathom works for Aspexx as a researcher, though he finds it deeply frustrating that the work he is given is so *mundane*, when what he really wants to research are Ship Hearts.

Time for some extracurricular activities...

NPC Relations

- Dark Water
 - Nemesis
 - Currently thinks I'm dead; will be unhappy to discover otherwise

Ship Heart Knowledge

- An understanding of the material composition of *Infinite Energy's* casing.
- Some understanding of the limits of Ship Heart perception...
 - Limited by Ship Hearts in vault being limited by the presence of *Ace's World* - would need to take Ship Hearts out on their own to analyse this further.
 - Some implication that systems exist that could improve or refine the perception of a Ship Heart?

Other Stuff

- Access to a vault on *Ace's World*, shared with some others
 - Contains Ship Hearts:
 - *Infinite Energy*
 - *Snow Piercing*
 - No longer contains *Fractured Dawn!*
 - A basic laboratory is established at this location, with bolstered security

- Vault also accessible to MSC, MIC, Firebrand/GC, ZRD; should any faction lose access, -2 Clout with that faction
- Data drive containing holodeck simulation data of Coruscating Beam
