

# Guardant Angel

*Pronouns: She/Her*

## Background / Bio

Guardant Angel strikes an imposing shadow as she descends into the fray to interpose herself between her fallen comrades and the enemies they face. A Second Class Corporal on a voluntary peacekeeping rotation, Guardant Angel is a stalwart defender loyal to the martial forces on *Her Glorious Command*, determined to follow her orders and protect those who need protecting. Finding herself on the wrong side of the Orion Gate, Cpl. Guardant is keen to ensure that she is as useful as she can be in maintaining peace and keeping everyone calm and safe.
