

Iron Cold

Pronouns: he/they

Background / Bio

born and raised a loyal subject of the kingdom of fabeland. Through great quests and hardships he became a knight of glory. However an ill-fated tournament would forever change his life, as outsiders left a horrible device they call a "gran-a-der" which took the life of his freind. With a lack of evidence and knowledge of outsider tech he was blamed and forced into exile. Since then he has proven himself worthy to rejoin fableland.
