Tiny Ember

Pronouns: she/her

Background / Bio

Name: Tiny Ember
Rank: Lieutenant, Junior Grade
Posting: *Firebrand-TE3*
Birthplace: Vyix IX
Profile: A singular young officer, LTJG Tiny Ember graduated at the top of her class from the Academy after having demonstrated interest and aptitude in a spacefaring career from an early age, attending space camps as a kitten on Vyix IX and participating in the GC Cadet Programme. She is extremely enthusiastic and would benefit from the close mentorship of her superiors. Though she has specialised into engineering, she currently holds the Academy record for most optional modules undertaken and has gone far beyond expectations in the number of skills courses completed. In all, she is certainly an officer to watch.
