

The Stranded Fleet

Stranded in Keter System after [the Incident](#) are a large number of ships - several large ships and numerous smaller ships.

OC Note: Characters in Planetfall are welcome to be from any ship listed here, or another smaller ship of your own devising. Be aware that Ref Team support for plot hooks and NPCs on ships is more likely if you are on one of the main ships.

Firebrand-TE3

Referred to as *Firebrand*, this ship is a classic Cooperation design - an incredibly capable Battleship carrying a modest complement of peacekeeping forces.

- **Captain:** Cpt. Stalwart Band - they/them - *Chirrid*
- **Ship Heart** *Firebrand-TE3* - Personality: Orderly - it/it - *Ship Heart*
- **Ship Heart Mystic Inclination:** Mechanical
- **Facilities:**
 - Library of Arcana (Mystic installation)
 - Holodeck
 - Armoury
 - Ship-to-ship missiles
 - Advanced shielding
 - Medbay
 - Stealth Systems

Her Glorious Command

An aging Altarian Dynasty Battleship sporting weaponry dating from the Last Interstellar War, multiple platoons of Startouched Mystics and a Ship Heart Cathedral.

- **Captain:** 14th Century X. Abiding Storm - she/her - *Human*
- **Ship Heart:** *Her Glorious Command* - Personality: Fickle - it/it - *Ship Heart*
- **Ship Heart Mystic Inclination:** Divinity
- **Facilities:**
 - Mystic Cathedral
 - Planetary bombardment capabilities
 - Hangar (unused)
 - Ship-to-ship cannons
 - High density hull
 - Slow-manoevre engines

Starlight Ebbing

Corporate research vessel owned by the [Aspexx Corporation](#), reportedly investigating biological anomalies in Keter System in order to sell information to the Cooperation Zeitgeist. All discoveries made aboard *Starlight Ebbing* are property of the Aspexx Corporation and any damage incurred to the *Ebbing* should be compensated directly to the Aspexx Corporation.

- **Captain:** Cpt. Delicate Granite, Aspexx Corp. - he/him - *Vyixian*
- **Chief Research Officer:** Dr. Bright Nightingale, Aspexx Corp. - she/her - *Chirrid*
- **Ship Heart:** *Starlight Ebbing* - Personality: Rebellious - it/it - *Ship Heart*

- **Ship Heart Mystic Inclination:** Arcana
- **Facilities:**
 - Long Range Scanners
 - Research Laboratory
 - Terraforming Station
 - Biological Analysis Suite
 - Boardroom
 - Private Medbay

Muse IX

Civilian vessel with no purpose provided on its charter. Rumoured to contain a Galactic Cooperation delegation present to subtly investigate system governance.

- **Captain:** Mx. Wuthering Inkwork, 879 - they/them - *Human*
- **Ship Heart:** *Muse IX* - Personality: Passionate - it/it - *Ship Heart*
- **Ship Heart Mystic Inclination:** Arcana / Divine
- **Facilities:**
 - Luxury accommodation
 - Communication suite
 - Viewing platform
 - Holodeck
 - Ballroom
 - Mystic Library, including corner Shrine
 - Biodome
- **Other Factions:**
 - Ship Heart Hunters - poorly funded groups determined to find and acquire Ship Hearts that have not yet been discovered.

Endeavour

Expedition ship sponsored by the [Zeitgeist Research Department](#) providing opportunities for individual Academy research projects.

Currently in a state of disrepair.

- **Captain:** Prof. Blistering Quarry - she/her - *Human*
- **Ship Heart:** *Endeavour* - Personality: Forthright - it/it - *Ship Heart*
- **Ship Heart Mystic Inclination:** Mechanical
- **Facilities:**
 - Library
 - Individual research cubicles
 - Lecture Hall
 - Observatory

Unquiet Journey

A light scouting vessel from [Fleet 18](#), investigating the Keter System for Fleet 18's reasons - looking for purpose, or a home, or a hint of their history. Most passengers are Fleet 18 nomads, but some paying passengers from other groups are also accepted to pay the Fleet's way.

- **Captain:** Cpt. Reassuring Heresy - they/them - Human (Various)
- **Ship Heart:** *Unquiet Journey* - Personality: Curious - it/it - *Ship Heart*
- **Ship Heart Mystic Inclination:** Unaffiliated (no sect)
- **Facilities**
 - Fast-manoeuvre engines
 - Bio/life scanners
 - Long-term accommodation for permanent residents
 - A small, combat-focused Various Forge, capable of repairing augments damaged during planetary exploration but not much else
